

Features

- € With built-in bias resistors
- € Simplify circuit design
- € Reduce a quantity of parts and a Ubi ZJWi f]b['dfcWgg
- € High packing density

Descriptions

Ù, ìc&@â} *Áæ]]|â&æcá [}

Q}c^!-æ&^h&â!& ~ ìc&æ } âÁâ!ç^!Á&â!& ~ ìc&æ]]|â&æcá [}

| Characteristic | Symbol | Rating | Unit |
|---------------------------|-----------|-----------|------|
| Output voltage | V_o | 50 | V |
| Input voltage | V_i | 15, -5 | V |
| Output current | I_o | 100 | mA |
| Power dissipation | P_D | 200 | mW |
| Junction temperature | T_J | 150 | °C |
| Storage temperature range | T_{stg} | -55 ~ 150 | °C |

| Characteristic | Symbol | Test Condition | Min. | Typ. | Max. | Unit |
|------------------------|--------------|------------------|------|------|------|------|
| Output cut-off current | $I_{O(OFF)}$ | $V_o=50V, V_i=0$ | - | - | 500 | nA |
